Mr. Robert Constant, President
Constant Solar Power Corporation
3751 Beethoven Street
Los Angeles, CA 90066

Dear Robert,

Thank you for conducting the walk-through review of the solar electric system at my home. I have had the Constant Solar Power system installed at my home for seven years and have been very pleased with the quality of the equipment and superior service you have provided.

In addition, as a member of the City Council, I am proud that with its vision, quality and expertise, Constant Solar Power has made its home in Los Angeles.

Regards,

Eric Garcetti
President, Los Angeles City Council
Councilmember, 13th District
